Reading the letter **c**

The letter “c” can be the sound “k” in “cat” or the sound “s” in “cent.”

**Rule:** When the letter “c” is followed by “e,” “i” or “y” it is the “s” sound; otherwise it is the “k” sound.

Write the words below onto the correct list:

```
cut               curl

cell             call

city            icy

cool           fancy

fencing         couch

dancing          clap

curtain          certain

```

```
cat              2cent

```
